

GRATITUDE FOR OUR COMMUNITY

Each month in our newsletter we share with you, our donors and volunteers, news about the pantry and donations given. During November and December we receive an amazing number of donations, large and small. We showcase several of them here, but we don't always have a camera handy. MAC TRAILER IS ANOTHER COMMUNITY PARTNER

Employees at MAC Trailer and some of their vendors got in the giving spirit this Thanksgiving with a generous donation to The Alliance Community Pantry. Following a three-week campaign, 3,255 pounds of food and a cash donation of \$608 was delivered to the pantry Tuesday afternoon. Delivering the donation were; from left, Mike Patton; Paula Faulkner, human resource administrator; Phil Linger, general manager; Bill Mack, human resource manager; and Al Liber, plant manager. Another great donation!

TURKEY BOWL A SUCCESS!

The Naborhood Inn was the place to be November 9th for the fifth annual Turkey Bowl, as people packed the place, hoping for a chance to throw some strikes with a frozen turkey and win a one-of-a-kind trophy, go home with some treasures with a high bid on one of dozens of silent auction items made possible by generous businesses

all over town, or a chance to win the 50-50 drawing. The evening ended with over \$6,200 being donated to the pantry.

A group of friends at the Naborhood who call themselves the Maroon Club, found a great way to have a good time and serve the community at the same time. We all thank you for all you do.

TROOP 50 FOOD DRIVE

As they have in past years, Boy Scouts and Cub Scouts from Troop 50, who meet at Christ United Methodist Church, made runs all over town collecting food donations for the pantry at houses where they left flyers. They brought the donations to be weighed by pantry volunteer Dan Flitcraft and shelved by the warehouse crew.

The boys brought in 1,150 pounds of food. Food drives are always welcome because it gives our clients access to a variety of foods not always available to be purchased at the Akron-Canton Regional Foodbank. It is also a great opportunity to familiarize our youth with the workings of pantry services.
